

OPERATING SUPPORT GRANT

Supporting core operations of arts organizations

HOW THE PROGRAM WORKS

Operating Support Grants (OSG) from the Nevada Arts Council (NAC) strengthen Nevada's arts infrastructure by supporting general operations of non-profit arts organizations throughout the state. The most competitive applicants offer ongoing, sustained, high-quality outreach programs and arts services or artistic programming in their communities. OSG funds support general operating expenses including administrative salaries and benefits, payroll expenses, insurance, facility space rental, utilities, and contracted and professional services. Operating Support Grants are awarded on a two-year cycle. Organizations will submit a full application in even fiscal years, and an Interim Report in the following odd fiscal year.

This grant is administered in two separate payments during the two year grant cycle:

1. Once awarded, grantees may request the initial installment of their full 1st year of funding (50% of total award)
2. Grantees must complete the Interim Report online with all applicable support materials by June 30, 2020. Upon approval of the Interim Report, grantees may request the second installment of their full 2nd year of funding (50% of total award)
3. Grantees must complete the Final Report online by June 30, 2021 to remain in compliance and eligible for future NAC grants

TWO YEAR GRANT AMOUNT: Up to \$50,000 total (\$25,000/year)

The grant amount is based on the organization's annual total revenue (see levels below). Depending on availability of funds, the organization's award amount will be the same for each year of the grant. The NAC fiscal year runs July 1-June 30.
